Independent Church-based Charitable Trust, Midrand
Director of Fundraising and Strategy

The employer is a well established charitable trust set up by a large church in the Midrand area. The trust sponsors a school in Tembisa which provides quality education to learners from very disadvantaged homes, and runs skills training for unemployed adults. The school and the training workshops are supported by donations.

The Trust is seeking to appoint a person with extensive experience of fundraising, preferably in the education sector. This person would plan the future of the school based on the fundraising projections in consultation with the school staff and the trustees.

The Trust invites applications from interested persons for this vacancy, the salary is negotiable and will be appropriate to the seniority of this appointment.

Starting date: asap, not later than 1 January 2023

Closing date : 30 April 2022
